

Specsavers Selects Workday to Power Global Finance Transformation

Global Healthcare Retailer will Leverage Workday Financial Management to Unify Operations, Reduce Complexity, and Empower Its Workforce Across 12 Countries

LONDON, UK, March 31, 2026 – [Workday Inc.](#) (NASDAQ: WDAY), the enterprise AI platform for managing [people](#), [money](#), and [agents](#), today announced that Specsavers has selected [Workday Financial Management](#) to modernise global finance operations and support its shift toward a seamless, omni-channel operating model.

Founded in 1984, Specsavers has spent more than 40 years delivering exceptional healthcare and value to its customers. Today, the business operates a global retail network of 3,000 locations across 12 countries. Specsavers' rapid business expansion required a modern, agile financial foundation suitable for a new era of growth.

"To deliver a seamless experience for our customers, we need a seamless operation behind the scenes," said Tom Buller, group finance director, Specsavers. "Workday gives us the flexible architecture we need to unite our in-store and online business, while transforming the day-to-day experience of our global finance teams."

Flexible Finance Transformation

Specsavers recognised the need for an adaptable cloud solution. [Workday Financial Management](#) will provide a single source of truth for Specsavers' financial data. With continuous accounting capabilities, real-time reporting, and multidimensional analytics, Specsavers will gain visibility across the global group and its partners. Crucially, Workday's flexible business process framework allows Specsavers to run this finance replacement alongside its broader retail transformation, significantly reducing deployment risk and business disruption.

Improved Employee Experience

Leveraging Workday's intelligent data core, Specsavers will transform the day-to-day experience for its finance and shared services teams. Workday AI will automate transaction processing and eliminate thousands of hours of manual spreadsheet-driven reconciliations. This will empower finance teams to redirect their time toward strategic, value-add analysis, fostering a more engaging work environment.

"To thrive in today's dynamic retail landscape, organisations need a technology foundation that can scale and pivot as rapidly as their customer expectations," said Daniel Pell, vice president and country manager, UKI, Workday. "With Workday, Specsavers is securing a flexible, intelligent platform that mitigates risk while driving real business agility across its global operation. This partnership will elevate their finance teams, remove potential operational friction, and power the next chapter of Specsavers' global expansion".

About Workday

Forward-Looking Statements

This press release contains forward-looking statements including, among other things, statements regarding Workday's plans, beliefs, and expectations. These forward-looking statements are based only on currently available information and our current beliefs, expectations, and assumptions. Because forward-looking statements relate to the future, they are subject to inherent risks, uncertainties, assumptions, and changes in circumstances that are difficult to predict and many of which are outside of our control. If the risks materialize, assumptions prove incorrect, or we experience unexpected changes in circumstances, actual results could differ materially from the results implied by these forward-looking statements, and therefore you should not rely on any forward-looking statements. Risks include, but are not limited to, risks described in our filings with the Securities and Exchange Commission ("SEC"), including our most recent report on Form 10-Q or Form 10-K and other reports that we have filed and will file with the SEC from time to time, which could cause actual results to vary from expectations. Workday assumes no obligation to, and does not currently intend to, update any such forward-looking statements after the date of this release, except as required by law.

Any unreleased services, features, or functions referenced in this document, our website, or other press releases or public statements that are not currently available are subject to change at Workday's discretion and may not be delivered as planned or at all. Customers who purchase Workday services should make their purchase decisions based upon services, features, and functions that are currently available.
