

Workday Ranks #1 Best Place to Work in the UK

LONDON, April 26, 2018 (GLOBE NEWSWIRE) -- [Workday, Inc.](#) (NASDAQ:WDAY), a leader in enterprise cloud applications for [finance](#) and [human resources](#), today announced that it ranked #1 on Great Place to Work (GPTW) Institute's list of the best workplaces in the UK. Appearing on this list for the first time, Workday currently has more than 8,200 employees globally, with more than 1,400 based in Europe.

Workday's workforce in the UK has nearly quadrupled in size over the past five years, with employees filling key roles in development, product management, marketing, alliances, services, and more. The company's office in London serves as Workday's head office in the UK, with an additional location in Reading that opened in late 2017 to fuel continued growth of its technical team supporting a range of products including Workday Payroll for the UK.

"We have an employee-first culture, where people are valued and encouraged to bring their best selves to work," said Carolyn Horne, regional vice president, UK, Workday. "This recognition is a testament to our employees who bring Workday's core values and culture to life every day. Because of their collective contributions, Workday continues to further its reputation and ranking as a trusted workplace."

This follows other honours Workday has received as a top workplace, including ranking #7 on *Fortune's* list of the [100 Best Companies to Work For in the U.S.](#), and being named the [#2 Best Workplace in Ireland](#), [#3 Best Workplace in Germany](#) and the [#3 Best Workplace in Europe](#) for large companies by GPTW Institute.

Methodology

The Great Place to Work Institute assesses the policies and practices in place in organisations under nine key areas: Inspiring, Speaking, Listening, Caring, Developing, Thanking, Hiring, Celebrating, and Sharing. They then benchmark these practices against other organisations in that country. The second key component of the assessment is an anonymous *Trust Index* survey that gathers the perceptions of employees under five dimensions: Credibility, Respect, Fairness, Pride, and Camaraderie. Finally, there is an in-depth qualitative analysis of open-ended comments from employees.
